REVISOR'S NOTE: This section presently appears as Art. 66 1/2, §14-110.

In subsection (a) (1) of this section, the present reference to a bus "for the transportation of 10 or more persons" is deleted as superfluous in light of the definition of "bus" in §11-105 of this article.

The last sentence of present §14-110 (b), which prohibits operating a vehicle having certain excesses in weight, is deleted as repetitive of and, therefore, unnecessary in light of the broad provisions of §24-101 (b) of this subtitle.
